

Break-Down™

Break-Down™

Antifoaming / Defoaming Agent

Principal Functioning Agents

Hydrophobic silica, mineral oil.....	32.7%
Constituents ineffective.....	67.3%
Total.....	100.0%

KEEP OUT OF REACH OF CHILDREN

CAUTION

Hazard Statements

- Harmful if swallowed.

First Aid

If Swallowed: Have person sip a glass of water to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. Have the product container with you when calling a poison control center or doctor or going for treatment.

General Information

Break-Down is a fast, effective, nonionic, silicone defoaming agent in a reverse emulsion oil-based carrier.

Break-Down is designed to prevent or eliminate foam in a variety of applications.

The use of Break-Down can prevent and suppress foam in spray mixtures and aquatic use sites.

Directions For Use

For foam reduction while mixing spray solutions: Add Break-Down at a rate of 1 to 2 fl. oz. per 100 gallons of spray solution. Water hardness, temperature or tank mix ingredients may require an adjustment up or down in rate.

For preventative defoaming: Add Break-Down to a partially water-filled tank first and agitate briefly before adding other products to the water then add remaining water and begin tank mix agitation.

Urea water solution: May require the higher use rate range for this product.

If foaming re-develops after the tank mix level drops: Stop agitation and add an additional 1 fl. oz. of Break-Down.

Storage and Disposal

Storage: Keep this product from freezing and do not store in temperatures above 120°F. Do not contaminate water, food or feed by storage or disposal. Store in a cool and dry place. Keep container and contents away from flames, sparks, heat or other ignition sources.

Spills or Leaks: In the event of spillage or leakage surface areas will be slippery. Soak up the material with an absorbent clay, sand, sawdust or other absorbent material. Scrape away and dispose of in accordance with local regulations.

Container Disposal: Do not reuse empty container. Triple rinse or equivalent after use. Recycling decontaminated containers is the best option of disposal.

CONDITIONS OF SALE, LIMITED WARRANTY, AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale – Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded. The directions of this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of KALO, Inc., the manufacturer or seller. In addition, failure to follow label directions may cause injury to crops, animals, workers or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind express or implied concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at KALO, Inc.'s election, one of the following:

1. Refund of the purchase price paid by buyer or user for product purchased,
- or,
2. Replacement of the product used.

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company, the manufacturer and seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
