

# SPECIMEN LABEL

## HYDRO-WET® FERTILIZER CONCENTRATE

***A Soil and Turf Wetting Agent  
for Addition to Soil Media, Dry  
Fertilizer, or Inert Carrier***

### Principal Functioning Agents

Polyoxyethylenepolypropoxypropanol, glycol butyl ether....100.0%  
Total.....100.0%

*All ingredients are exempt from the requirements of a tolerance under 40 CFR 180.*

---

**KEEP OUT OF REACH OF CHILDREN  
CAUTION**

---

### Precautionary Statements

Avoid prolonged contact with skin. In case of contact wash with water. Causes eye irritation. In case of contact with eyes, immediately flush with water for at least 15 minutes and get medical attention.

### First Aid

**If Swallowed:** Call a poison control center or doctor immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**If Inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

**If in Eyes:** Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

**If on Skin or Clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.

### General Information

Hydro-Wet Fertilizer Concentrate is a high performance turf and soil wetting agent formulated for incorporation into dry fertilizers such as ground corn cobb, montmorillonite minerals, vermiculite, peat and peat lite mixes and other soil media or inert carriers.

When incorporated onto a dry carrier, Hydro-Wet Fertilizer Concentrate will assist the management and conservation of water to ensure more uniform distribution and availability of water to the soil root zone. Hydro-Wet Fertilizer Concentrate reduces watering requirements by minimizing soil repellency thereby reducing water evaporation and run-off.

### Directions For Use

Always follow label instruction of any companion product that will be used with Hydro-Wet Fertilizer Concentrate.

#### For Dry Fertilizers or Inert Carriers:

Always premix a small volume of Hydro-Wet Fertilizer Concentrate to dry material to determine adsorption rate of the liquid. Add 1 to 5 gallons of concentrate per 2,000 pounds of dry fertilizer or carrier. Hydro-Wet Fertilizer Concentrate can be slightly diluted with water (10% or less) and applied as a fine mist onto tumbling bed of dry material.

Hydro-Wet Fertilizer Concentrate should not be used in high heat conditions or near an open flame.

### Storage and Disposal

Keep container tightly closed. Store in original container only. Do not store near heat or open flame. Triple rinse container, empty rinse water into spray or stock tank. Dispose of empty container in accordance with federal, state and local laws.

#### Notice-Read Carefully

##### Limited Warranty and Conditions of Sale

In no event shall KALO, Inc., manufacturer or seller be liable for special, incidental, or consequential damages, or for damages in their nature of penalties relating to the goods sold. KALO, Inc., manufacturer or seller shall not be liable to buyer or user by way of indemnification to customers of buyer, if any, or for any damages or sums of money, claims or demands whatsoever, resulting from or by reason of, or rising out of the misuse, or failure to follow label warnings or instructions for use, of the goods sold by KALO, Inc., manufacturer or seller. Buyer or users exclusive remedy and KALO, Inc., manufacturer or sellers total liability shall be for damages not exceeding the cost of the product.

##### Warranty Disclaimer

The goods sold to you by this agreement are furnished as is by KALO, Inc., manufacturer, or seller, and are subject only to the manufacturer's warranties if any, which appear on the labels of the products. KALO, Inc., the manufacturer or seller, make no other warranties, guarantees or representations of any kind to buyer or user, either expressed or implied or by usage of trade, statutory or otherwise, with regard to the product sold, included but not limited to merchantability, fitness for a particular purpose, use or eligibility of the product for any particular trade usage. Ineffectiveness, or other unintended consequences may result because of such factors as the presence or absence of other materials used in combination with the goods, or the manner of use or application, or atmospheric conditions, all of which are beyond the control of KALO, Inc., manufacturer or seller. In no case shall KALO, Inc., manufacturer or seller, be liable for consequential, special or indirect damages resulting from the use or handling of this product. The buyer or its customers shall assume all such risks. Tests have not been carried out under all possible use conditions, and KALO, Inc., manufacturer or seller, cannot and do not warrant that the product is compatible with all other chemicals.

The law of the state from which such goods are to be shipped shall govern the validity, interpretations and performance of this agreement with respect to goods delivered. This writing contains all of the representations and agreements between buyer, KALO, Inc., manufacturer and seller, and no person or agent of KALO, Inc., manufacturer or seller has any authority to make any representation or warranty or agreement relating in any way to the goods.
