**SPECIMEN LABEL**

**Benchmark™**

**Foam Marking Agent**

**Principal Functioning Agents**

- Proprietary blend of active foam agents..........................................................100.0%
- Total......................................................................................................................100.0%

All ingredients are exempt from the requirements of a tolerance as specified in 40 CFR 180.

**KEEP OUT OF REACH OF CHILDREN**

**WARNING**

**Hazard Statements**

- Causes serious eye irritation.
- Causes skin irritation.
- Combustible liquid.

**Precautionary Statements**

- Wash thoroughly after handling.
- Wear protective gloves and eye/face protection.
- Keep away from heat, sparks, open flames and hot surfaces.
- No smoking.
- IF IN EYES: Rinse continuously with water for several minutes.
- Remove contact lenses if present and easy to do; continue rinsing.
- IF eye irritation persists, get medical advice/attention.
- IF ON SKIN OR CLOTHING: Wash with plenty of soap and water.
- IF skin irritation occurs, get medical advice/attention.
- Take off contaminated clothing and wash before reuse.
- IN CASE OF FIRE: Stop leak if safe to do so.

**First Aid**

Call a poison control center or doctor immediately for treatment advice.

If Swallowed: Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. If eye irritation persists, get medical advice/attention.

If on Skin or Clothing: Rinse skin immediately with plenty of soap and water for 15 to 20 minutes. If skin irritation occurs, get medical advice/attention. Remove/take-off immediately all contaminated clothing and wash before reuse.

**Environmental Hazards**

Do not contaminate water sources by cleaning of equipment or disposal of wastewaters.

**General Information**

Benchmark foam marking agent is specially formulated to deliver long lasting foam in a range of weather and field conditions.

Benchmark is a highly concentrated formula, that when used as directed, will produce a thick, white, highly visible foam. This foam can be used with any foam marker equipment for fertilizer and pesticide applications, seed planting and general field cultivation.

Benchmark is formulated to handle extreme hard water and high temperature conditions.

Note: Foam will disappear faster when placed on dry soil under bright sunlight, high temperature and high wind conditions. Benchmark foam marking agent, when used at proper consistency and foam volume, should be visible for up to 40% longer than traditional foaming agents.

**Directions For Use**

Always thoroughly clean out the foam generator reservoir and lines when changing from one brand of foam marker to another. Use a high quality tank cleaner to remove residues and ensure optimum performance.

**General Application Rates**

This product is effective at a range of application rates.

**Standard use rate:** Add 1 gallon of Benchmark for every 160 gallons of water; or 1/2 pint (8 fluid ounces) in every 10 gallons of water.

**Adverse conditions, such as hard water or high temperature:** Add 2 fluid ounces of Benchmark for every 1 gallon of solution reservoir capacity. Benchmark performs well in hard water up to 1,500 ppm. The addition of water conditioners is generally not recommended.

**Near freezing temperatures:** Add 2 to 3 fluid ounces of methanol per gallon of Benchmark for immediate use. Benchmark mixes well in cold water.

**Color additives:** If foam colorant additive is being used, add 2 fluid ounces of Benchmark for every 1 gallon of solution reservoir capacity. Note: The use of colorant additives will reduce foam performance.

**Storage and Disposal**

Do not contaminate water, food, or feed by storage or disposal.

**Storage:** DO NOT ALLOW PRODUCT TO FREEZE! Store above 45°F. Store away from heat or open flame and oxidizing materials. Store in a well-ventilated space. Keep cool. Keep container tightly closed.

**Disposal:** Do not contaminate water sources by cleaning of equipment or disposal of wastewaters. Wastes resulting from this product may be disposed of on site or at an approved waste disposal facility. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit www.acrcycle.org. Decontaminated containers may also be disposed of in a sanitary landfill. Dispose of contents/container in accordance with local/national regulations.

**CONDITIONS OF SALE, LIMITED WARRANTY, AND LIMITATIONS OF LIABILITY AND REMEDIES**

Read the Conditions of Sale – Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded. The directions of this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to crops to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of KALO, Inc., the manufacturer or seller. In addition, failure to follow label directions may cause injury to crops, animals, workers or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind express or implied concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at KALO, Inc.’s election, one of the following:

1. Refund of the purchase price paid by buyer or user for product purchased, or
2. Replacement of the product used.

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expenses of any nature, including, but not limited to, loss of profit or income. The Company, the manufacturer and seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
