## K-KLEAN™

### Liquid Tank and Equipment Cleaner

#### Principal Functioning Agents

Cleaning agents in a proprietary transparent emulsion.....	100.0%
Total.....	100.0%

All ingredients are exempt from the requirements of a tolerance under 40 CFR 180.

**KEEP OUT OF REACH OF CHILDREN  
CAUTION**

#### Precautionary Statement

Avoid prolonged contact with skin. Causes skin burns. Corrosive; severe skin irritant. If such contact does occur, remove contaminated clothing. Wash with large amounts of soap and water. If irritation persists, contact a physician. Can cause eye burns and blindness. If eye contact occurs, flush eyes with water or eyewash solution for at least 15 minutes and contact a physician immediately. Can be harmful or fatal if swallowed. If accidentally ingested, induce vomiting promptly according to physician's instructions. Never give anything by mouth to an unconscious person. Give large quantities of water mixed with vinegar.

#### Special Precautions

The use of K-Klean or other tank cleaners does not guarantee the removal of all residues. Some pesticides like 2,4-D and Dicamba, may leave persistent or hard to remove residues. In order to ensure that all residues have been removed, apply a sample of the rinse water to sensitive plants (tomato, cotton, ornamentals, etc.) and after sufficient time, observe for wilting or severe stress. If stress occurs, repeat cleaning process and retest as above.

#### Statement of Practical Treatment

**If swallowed:** Call a physician or poison control center. Drink 1 or 2 glasses of water. If so advised by a physician or poison control center, induce vomiting. Do not induce vomiting or give anything by mouth to an unconscious person.

**If in eyes:** Immediately flush eyes with plenty of water and get medical attention.

**If on skin:** Immediately wash skin with plenty of soap and after removing contaminated clothing, if irritation persists, seek medical attention.

**If inhaled:** Remove victim to fresh air.

#### General Information

K-Klean is an effective cleaner for metal, fiberglass and plastic spray systems. K-Klean aids in the removal of dirt, grime, grease, chemical and fertilizer residues from tanks and equipment. K-Klean helps eliminate rust and scale and keeps costly equipment in ready-to-use condition.

#### Use Directions

##### For large volume sprayers:

K-Klean is effective at dilution rates of up to 1:100. One quart of K-Klean will treat 100 gallons of water. Adjust the dilution rate as needed for individual conditions. Circulate treated solution throughout the entire spray system for 5 to 10 minutes. Use a high-pressure sprayer or hose to rinse all interior areas and tank walls. Purge hoses, spray lines and nozzles for at least one minute. After cleaning, drain system and rinse tanks and spray areas.

##### For tanks or sprayers not equipped with hand gun or hose:

Add 1 quart K-Klean per 100 gallons of water and circulate as above instructions.

#### Storage and Disposal

Store above freezing. Dispose of container in accordance with all federal, state and local regulations. Rinse all equipment after cleaning. Dispose of rinsate in accordance with all federal, state and local regulations.
