Legacy™

Dual-Action Liquid Inoculant For Soybeans

Minimum Guaranteed Analysis

- **Super-Concentrated Liquid Inoculant:**

10 billion (1 x 10¹⁰) cfu/ml of Bradyrhizobium japonicum

- **Chitosan Based Bio-Stimulant Plus Extender:**

EPA Establishment No. 91967-TX-1 / EPA Registration No. 91439-1-91967

Contains .021 pounds (0.25%) of Poly-D-Glucosamine per gallon.

General Information

The LEGACY duo-pak case contains a two-part system:

1. Super-Concentrated Liquid Inoculant;
2. Chitosan Based Bio-Stimulant;

When the two parts of the system are combined, the resulting mixture is a ready-to-apply seed inoculant, that should be applied to seed immediately. On-seed survival of bacteria can last as long as 95 days after application. Sequential application of separate seed treatment products is recommended for best results.

When both parts are combined, the resulting mixture is a ready-to-apply live bacteria and bio-stimulant/extender agent formulated to inoculate 50 units of soybean seed.

Application and Mixing Instructions

Both LEGACY components are to be mixed directly into an inoculation tank.

Prior to adding to inoculation tank, shake both LEGACY components well.

Ensure that seed inoculation system has been properly calibrated.

Agitate or recirculate liquid mixture to ensure proper distribution of live organisms and bio-stimulant.

IMPORTANT: Once all components have been mixed, it is recommended that this product be applied to seed within 24 hours. If mixing LEGACY in same tank with fungicide or insecticides, apply to seed within 4 hours.

If mixed in a dedicated inoculant tank, on-seed survival of 95 days can be achieved.

Use Rate

The two-bladder system is formulated to inoculate 50 units (2,500 pounds) of soybean seed.

Apply at a rate of 2.5 fluid ounces per 100 cwt, or 1.25 fluid ounces per 140,000 seeds. This application rate is based upon 2,800 seeds per pound.

IMPORTANT!

Prepare only as much LEGACY as will be applied to seed that day.

DO NOT OPEN PACKAGE UNTIL THE TIME OF APPLICATION.

Once all components have been mixed, it is recommended that this product be applied to seed within 24 hours.

LEGACY carries a one-season shelf life.

Use before expiration date!

If mixed in a dedicated inoculant tank, on-seed survival of 95 days can be achieved.

Storage and Disposal

Do not allow this product to freeze or to be exposed to extreme heat. Avoid frequent temperature fluctuations.

Storage: Store in a cool dry place between 40°F (4°C) and 77°F (25°C). Store out of direct sunlight. Store in original container only and do not reuse empty container.

Disposal: Product is not harmful and may be disposed of by using as irrigation for house plants, bedding plants, gardens, and lawns. Dispose of container and any rinsate in accordance with federal, state and local regulations.

NOT A PLANT FOOD INGREDIENT

CONDITIONS OF SALE, LIMITED WARRANTY, AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale – Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded. The directions of this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of KALO, Inc., the manufacturer or seller. In addition, failure to follow label directions may cause injury to crops, animals, workers or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind express or implied concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at KALO, Inc.'s election, one of the following:

1. Refund of the purchase price paid by buyer or user for product purchased, or,
2. Replacement of the product used.

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company, the manufacturer and seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
