KEEP OUT OF REACH OF CHILDREN WARNING

Hazard Statements

- May be harmful if swallowed.
- Causes skin irritation.
- Causes eye irritation.

Precautionary Statements

- Wash thoroughly after handling.
- Wear protective gloves/eye/face protection.
- Do not eat, drink or smoke when using this product.
- If swallowed, rinse mouth.
- Do NOT induce vomiting.
- If on skin (or hair), remove/take-off immediately all contaminated clothing.
- Rinse skin with water/shower.
- If in eyes, rinse continuously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing.
- If eye irritation persists, get medical advice/attention.
- Wash contaminated clothing before reuse.

First Aid

If In Eyes: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. If eye irritation persists, get medical advice/attention. Call a poison control center or doctor for treatment advice.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

If On Skin (or hair): Remove/take off immediately all contaminated clothing and wash before reuse. Rinse skin with water/shower. Call a poison control center or doctor for treatment advice.

If Swallowed: Rinse mouth. Do NOT induce vomiting. Have person sip a glass of water if able to swallow. Call a poison control center or doctor immediately for treatment advice. Do not give anything by mouth to an unconscious person.

General Information

90% Nonionic Surfactant improves the effectiveness of certain post emergent herbicides, desiccants, defoliants, insecticides, fungicides, acaricides, and miticides to enhance activity.

90% Nonionic Surfactant improves performance of the active spray ingredients by providing more uniform distribution and better wetting of the plant surface.

California State Reg. No. 45989-50031-AA
Washington State Reg. No. 45989-07001

Directions For Use

The accompanying pesticide label often provides specific use rates, mixing, and application instructions, and any additional precautionary statement. Always read and follow label directions of the pesticide being applied. For ground, air, and aquatic* use applications.

Post emergence herbicides: 1 to 4 pints per 100 gallons (0.125% to 0.500% v/v) spray solution.

Fungicides, insecticides, acaricides: 4 to 8 fluid ounces per 100 gallons.

Unless instructed otherwise by accompanying pesticide label, add 90% Nonionic Surfactant as the first component to the spray tank.

*Not for use on aquatic sites in the state of Washington.

Use Precautions

Carefully read all Directions, Conditions of Sale, Warranty Limitation, Inherent Risks and Limitation of Liability before using this product. If terms are not acceptable, return the unopened product container at once.

Storage and Disposal

Storage: Do not contaminate water, food, or feed by storage or disposal. Store in a closed container. Keep cool.

Disposal: Wastes resulting from this product may be disposed of on site or at an approved waste disposal facility. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit www.acrecycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.

Environmental Hazards

Do not contaminate water sources by cleaning of equipment or disposal of wastewaters.

CONDITIONS OF SALE, LIMITED WARRANTY, AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale – Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded. The directions of this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of KALO, Inc., the manufacturer or seller. In addition, failure to follow label directions may cause injury to crops, animals, workers or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind express or implied concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at KALO, Inc.'s election, one of the following:

1. Refund of the purchase price paid by buyer or user for product purchased,
- or,
2. Replacement of the product used.

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company, the manufacturer and seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
