

Summit™

Summit™

DRY WATER CONDITIONING AGENT / DRIFT REDUCTION
AGENT/DEPOSITION AID / ANTIFOAM AGENT

Principal Functioning Agents

Ammonium sulfate, drift reduction/deposition enhancing polymers
and antifoam agent.....100.0%

All ingredients are exempt from the requirements of a tolerance as specified in 40 CFR 180.

KEEP OUT OF REACH OF CHILDREN WARNING

Hazard Statements

- Causes serious eye irritation.
- Causes mild skin irritation.
- May be harmful if swallowed.
- May be harmful in contact with skin.

Precautionary Statements

- Wash hands, face and other affected areas thoroughly after handling.
- Wear protective gloves/clothing and eye/face protection.
- Call a poison control center or physician if you feel unwell.
- IF IN EYES: Rinse cautiously with water for several minutes.
- Remove contact lenses if present and easy to do; continue rinsing.
- If eye irritation persists, get medical attention.
- IF ON SKIN: Wash skin with plenty of soap and water.
- If skin irritation occurs, get medical attention.

First Aid

If in Eyes: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. If eye irritation persists, get medical attention.

If Swallowed: Rinse mouth. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. If you feel unwell, call a poison control center or physician immediately for treatment advice.

If Inhaled: Move person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. If you feel unwell, call a poison control center or physician for further treatment advice.

If on Skin or Clothing: Rinse skin immediately with plenty of soap and water for 15 to 20 minutes. If skin irritation occurs, get medical attention. Take off contaminated clothing and wash before reuse.

General Information

Summit is a highly active, dry tank mix adjuvant designed to enhance post emergence herbicides that require the use of ammonium sulfate. AMS reduces hard-water mineral antagonism prevalent in most water sources that interfere with the performance certain herbicides.

Summit can be used with glyphosate, glufosinate, Enlist One®, Enlist Duo® and other herbicides.

Summit contains drift reducing polymers that suppresses driftable spray fines and improves deposition onto plant surfaces.

The antifoam agent in Summit minimizes the formation of troublesome foam. Summit has been finely milled to enhance rapid solubility.

Directions For Use

Use Summit at 9 to 17 pounds per 100 gallons of water to deliver 1% to 2% w/w of ammonium sulfate.

Always monitor spray patterns for use rates greater than 17 pounds per 100 gallons.

NOTE: Many factors contribute to drift, such as boom height, distance from target area, proper nozzle selection, nozzle configuration, spray pressure, temperature, wind, and thermal inversion.

Mixing

1. Fill spray tank one half full of water and begin agitation.
2. SLOWLY add required amount of Summit to the water at the point of maximum agitation. Vigorous agitation is required to disperse the product. Continue agitation until Summit is completely dissolved.
3. Continue filling while recirculating. Add herbicides and/or additional adjuvants as directed by the herbicide label. Always read and follow all label directions and observe all precautionary statements on the herbicide label.

Storage, Disposal & Spill

Do not contaminate water, food or feed by storage or disposal.

Storage: Store in a cool, dry place in original unopened bag. Do not contaminate water, food or feed by storage or disposal.

Disposal: Empty bags should be disposed of in a sanitary landfill or by incineration or by open burning if allowed by state and local authorities.

Spill: If spill occurs, do not attempt to clean up with water, as area will become slippery. Simply sweep and dispose of material.

Environmental Hazards

Do not contaminate water sources by cleaning of equipment or disposal of wastewaters.

CONDITIONS OF SALE, LIMITED WARRANTY, AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale – Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded. The directions of this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of KALO, Inc., the manufacturer or seller. In addition, failure to follow label directions may cause injury to crops, animals, workers or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind express or implied concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at KALO, Inc.'s election, one of the following:

1. Refund of the purchase price paid by buyer or user for product purchased,
or,
2. Replacement of the product used.

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company, the manufacturer and seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
