## WARNING

### Hazard Statements

- Causes skin irritation.
- Causes serious eye irritation.

### Precautionary Statements

- Do not breathe the mist, vapors or spray.
- Wear protective gloves and eye/face protection.
- Wash thoroughly after handling.
- IF IN EYES: Rinse continuously with water for several minutes.
- Remove contact lenses if present and easy to do; continue rinsing.
- Immediately call a poison center or doctor/physician.
- IF SWALLOWED: Rinse mouth.
- Do NOT induce vomiting.
- IF INHALED: Remove to fresh air.
- If person is not breathing, give artificial respiration.
- If breathing is difficult, give oxygen.
- Get medical advice from a poison control center or doctor.
- IF ON SKIN (or hair): Rinse skin with water/shower.
- Remove/take-off immediately all contaminated clothing and wash before reuse.

### First Aid

**If in Eyes:** Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. If eye irritation persists, get medical attention.

**If Swallowed:** Rinse mouth. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. If you feel unwell, call a poison control center or physician immediately for treatment advice.

**If Inhaled:** Move person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. If you feel unwell, call a poison control center or physician for further treatment advice.

**If on Skin or Clothing:** Rinse skin immediately with plenty of soap and water for 15 to 20 minutes. If skin irritation occurs, get medical attention. Take off contaminated clothing and wash before reuse.

### General Information

Vapex, a VaporGrip Xtra Agent may be used as an additional tool to reduce volatility potential when tank mixed with dicamba. Use of Vapex, a VaporGrip Xtra Agent does not replace an approved drift reduction adjuvant (DRA). This product does NOT control drift. Vapex, a VaporGrip Xtra Agent is a volatility reducing agent but does NOT fully eliminate all volatility potential.

### Directions For Use

Always follow the precautions, restrictions, recommended use rates, and application directions appearing on the labels for each product to be tank mixed.

**Use Rate:** Use Vapex, a VaporGrip Xtra Agent at a rate of 20 fluid ounces per acre. Always follow dicamba product label requirements.

Spray Volume Rate (gallons of water per acre)	Vapex, a VaporGrip Xtra Agent Rate (fluid ounces per acre)
15 GPA	20 fl oz/A
16-24 GPA	26 fl oz/A
25+ GPA	32 fl oz/A

### Mixing Instructions

While the carrier is agitating, add Vapex, a VaporGrip Xtra Agent to the spray tank first during the mixing and filling process.

### Storage, Disposal & Spill

Do not contaminate water, food or feed by storage or disposal of this product.

**Storage:** Store out of reach of children. Store away from food, drink, and animal feed. Store in a well-ventilated place. Keep cool. Store in tightly closed original container only.

**Disposal:** Triple pressure rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit [www.acrecycle.org](http://www.acrecycle.org). Do not contaminate water sources by cleaning of equipment or disposal of wastewaters. Dispose of contents/container in accordance with local/national regulations.

**Spill:** In the event of a major spill, fire or other emergency, call CHEMTREC at (800) 424-9300.

*If you do not understand the label, find someone to explain it to you in detail.  
Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle.*

#### CONDITIONS OF SALE, LIMITED WARRANTY, AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale – Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded. The directions of this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of KALO, Inc., the manufacturer or seller. In addition, failure to follow label directions may cause injury to crops, animals, workers or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind express or implied concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at KALO, Inc.'s election, one of the following:

1. Refund of the purchase price paid by buyer or user for product purchased, or,
2. Replacement of the product used.

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company, the manufacturer and seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
