

PRODUCT INFORMATION

Entro™

BASIC BLEND / BUFFERING AGENT / MODIFIED VEGETABLE OIL

GENERAL INFORMATION

Entro is a patent pending micro emulsion concentrate combining an alkaline pH buffered methylated seed oil with a nitrogen-based fertilizer.

Entro enhances retention and penetration of herbicides sprayed onto weed surfaces and buffers the pH of the spray to minimize acid hydrolysis.

The antifoam ingredient in Entro minimizes the formation of troublesome foam.

Entro will enhance the performance of many post-emergent herbicides such as FlexStar GT®, Pursuit®, and Raptor®.

Do not use Entro with Assert® herbicide.

Entro is also suitable for use when the herbicide label recommends methylated or modified seed oil adjuvants.

Shake Entro prior to use. Always follow herbicide label recommendations regarding use of tank mix adjuvants. If there are no instructions for adjuvants stated on the herbicide label, tank mix Entro prior to adding the herbicides to the tank.

USE RATES

Use rates range from 1 gallon to 2.5 gallons of Entro per 100 gallons (1% v/v to 2.5% v/v); 1 gallon per 100 is most common, or as herbicide label recommends.

TECHNICAL INFORMATION

Net Weight: 8.59 lbs/gal

Specific Gravity: 1.01-1.03

Flashpoint: > 141°F TCC

pH: 8.4-8.7

Color & Appearance: Slightly Hazy Yellow Liquid

Odor: Ammonia

Storage Temperature - Minimum: 40°F

Storage Temperature - Maximum: 120°F

DOT/IMDG Transportation (in containers greater than 119 gallons only): UN1993, Combustible Liquid, N.O.S. (contains butanol and glycol ether EB), 3, PG III

Marine Pollutant: No

Registered With CDPR: No

Registered With WSDA: No

This product has been reviewed and approved by the CPDA (Council of Producers and Distributors of Agrotechnology).

PRINCIPAL FUNCTIONING AGENTS

Methylated seed oil,
nitrogen-based fertilizer solution,
surfactant blend, alkali buffer
and antifoam.....100.00%

Surfactant Content...20.6%

PACKAGING

2 x 2.5 gallon jugs
36 cases per pallet
Item#: ENT02

30 gallon drum
5 drums per pallet
Item#: ENT30

55 gallon drum
4 drums per pallet
Item#: ENT55

265 gallon tote
1 tote per pallet
Item#: ENT265

Pursuit, Raptor and Assert are registered trademarks of BASF Corp.
Flexstar GT is a registered trademark of Syngenta Group.
