Other:

GENERAL INFORMATION

CUSTOM COVERAGE RED is a combination seed treatment additive of FREE FLOW polymer and CORORIZER RED colorant. CUSTOM COVERAGE RED is designed to enhance treatment coverage & retention on the seed coat and impart enhanced color to the treated seed.

DIRECTIONS FOR USE

Identify the **CC CODE** on this label and follow the corresponding rate and use directions on the supplemental label enclosed in the product package.

PRECAUTIONARY STATEMENTS

Do not use before reading and understanding all safety precautions. Wear personal protection equipment (PPE) when handling (see below). If exposed or concerned about exposure seek medical advice or attention.

PERSONAL PROTECTION EQUIPMENT (PPE): Handler of this product must wear long sleeve shirt, pants, shoes, socks, chemical resistant gloves, and splash proof safety goggles or face mask. For additional protection a chemical resistant apron or coveralls are suggested but not required.

FIRST AID MEASURES: In general, this product does not have any acute hazard characteristics. Treat exposures symptomatically as needed. If on Skin: Rinse with soap and water thoroughly. Get medical advice if irritation develops or persists. If in Eyes: Immediately flush eyes with plenty of water. Remove contact lenses if present and easy to do. Get medical attention if irritation develops or persists. If Inhaled: Remove to fresh air. If symptoms develop, consult medical advice. If Ingested: Do not induce vomiting. Drink plenty of water. Seek medical advice.

STORAGE & DISPOSAL: Do not contaminate water, food, or feed by storage or disposal. Do not store in direct sunlight. Ideal storage temperature zone is between 40 and 80 degrees F. Do not allow product to freeze. Triple rinse container after use and then offer for recycling, reconditioning, or otherwise dispose of as allowed by local regulations.
