# H20 Maximizer

## Soil Surfactant Polymer Resin Blend

#### NONPLANT FOOD INGREDIENTS

17.0% Alkylpolyglucoside

9.5% Poloxalene

2.0% Poly (2-propenamide)

# KEEP OUT OF REACH OF CHILDREN **WARNING**

#### **Hazard Statements**

Causes serious eye irritation. Causes mild skin irritation.

### **Precautionary Statements**

Wear protective gloves and eye/face protection. Wash thoroughly after handling.

IF IN EYES: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do: continue rinsing. Get medical advice/attention.

IF ON SKIN: If skin irritation occurs, get medical advice attention. Refer to back label for more First Aid statements.

Weight per Gallon at 69°F is 8.60 Lbs

## Storage, Disposal & Spill

Do not contaminate water, food or feed by storage or disposal of this product.

Storage: Store in a well-ventilated place. Keep cool. Store in a tightly closed container. Store in original container only.

Disposal: Triple pressure rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit www.acrecycle.org. Dispose of contents/container in accordance with local/national regulations.

Spill: In the event of a major spill, fire or other emergency, call CHEMTREC at (800) 424-9300.

**Net Contents** 

2.5 Gallons (9.46 Liters) or 2 x 2.5 Gallons (18.93 Liters)

#### **First Aid**

If in Eyes: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. If eye irritation persists, get medical attention.

If Swallowed: Rinse mouth. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. If you feel unwell, call a poison control center or physician immediately for treatment advice.

If Inhaled: Move person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. If you feel unwell, call a poison control center or physician for further treatment advice.

If on Skin or Clothing: Rinse skin immediately with plenty of soap and water for 15 to 20 minutes. If skin irritation occurs, get medical attention. Take off contaminated clothing and wash before reuse

#### **General Information**

H2O Maximizer is an innovative blend of surfactants that enhance water infiltration through repellent thatch for more uniform soil moisture.

H2O Maximizer's polymer resin enhances water adsorption to soil particles for increased soil moisture to the plant rootzone.

H2O Maximizer maximizes plant available water. Plant available water is that portion of water holding capacity that can be absorbed by the plant.

## **Directions For Use–Application Guidelines**

Use H2O Maximizer in a scheduled water management program throughout the growing season to improve irrigation efficiency resulting in shorter irrigation cycles while maintaining turf quality.

**Turf Spray Applications:** For best results on highly maintained turf such as golf greens or sports fields, apply 10 fluid ounces of H2O Maximizer diluted in 1 to 2 gallons of water per 1,000 square feet monthly.

**For Irrigation Injection/Large Area Application:** Inject 16 to 24 fluid ounces per acre on a monthly basis throughout the growing season.

For Conventional Tank Mix Spray Applications on Fairways or Commercial Lawns: Mix 30 fluid ounces of H2O Maximizer diluted in 40 gallons of water per acre. Reapply monthly or as needed throughout the growing season.

**New Seedlings – Stand Establishment:** H2O Maximizer may be applied with initial watering cycle following a new turf seeding to enhance soil moisture and improve water infiltration. Use at a rate of 5 to 10 fluid ounces (diluted in 3 gallons of water) per 1,000 square feet.

**Soil Media Applications:** For enhanced hydration of soil, peat or bark media use 5 fluid ounces of H2O Maximizer diluted in 2 gallons of water applied to 1 cubic yard of media. Add H2O Maximizer to water and stir contents.

For Difficult to Wet Media: Use 10 fluid ounces diluted in 2 gallons of water applied per cubic yard.

#### CONDITIONS OF SALE - LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale – Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded. The directions of this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of KALO, Inc., the manufacturer or seller. In addition, failure to follow label directions may cause injury to crops, animals, workers or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind express or implied concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at KALO, Inc.'s election, one of the following: 1) Refund of the purchase price paid by buyer or user for product purchased, or, 2) Replacement of the product used, to the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company, the manufacturer and seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
