

# Rainstorm®

## Rainstorm® SOIL SURFACTANT

### NONPLANT FOOD INGREDIENTS

- 15.6% Oxirane, methyl-, polymer with oxirane
- 16.0% D-glucopyranose, oligomeric, C9-11-alkyl glycosides
- 68.4% Inert ingredients

### KEEP OUT OF REACH OF CHILDREN

## WARNING

### Hazard Statements

- Causes mild skin irritation.

### Precautionary Statements

- Wear protective gloves and eye/face protection.
- Wash thoroughly after handling.
- IF IN EYES: Rinse continuously with water for several minutes.
- Remove contact lenses if present and easy to do; continue rinsing.
- If eye irritation persists, get medical advice/attention.
- IF ON SKIN: Wash skin with plenty of soap and water.
- If skin irritation persists, get medical advice/attention.
- Wash contaminated clothing and wash before reuse.

### Environmental Hazards

Do not contaminate water sources by cleaning of equipment or disposal of wastewaters.

### First Aid

**Eye Contact:** Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. If eye irritation persists, get medical attention.

**If Swallowed:** Rinse mouth. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. If you feel unwell, call a poison control center or physician immediately for treatment advice.

**Inhalation:** Move person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. If you feel unwell, call a poison control center or physician for further treatment advice.

**If on Skin or Clothing:** Rinse skin immediately with plenty of soap and water for 15 to 20 minutes. If skin irritation occurs, get medical attention. Take off contaminated clothing and wash before reuse.

### General Information

Rainstorm is a unique blend of soil surfactants formulated to improve movement and infiltration of rainfall and irrigation water into agricultural soils.

This multi-purpose soil surfactant significantly reduces water's surface tension to increase soil moisture content for a more efficient use of irrigation water.

Rainstorm can be used in advance, or following soil applied crop control products, to increase soil moisture content for enhanced efficacy.

### Directions For Use

Rainstorm is formulated for use on a wide range of targeted crops. Always apply Rainstorm in accordance with label instructions.

### Use Rates

#### Irrigation Injection:

Apply through an irrigation system using drip tubes, tape, micro-emitters or overhead sprinklers.

#### Initial Application Use Rates:

Apply Rainstorm at 1 quart per acre. Follow initial application with additional 1 pint per acre as determined by crop requirements and environmental conditions.

#### Application Interval:

Apply Rainstorm every 3 to 4 weeks as required by soil type, crop response, or environmental conditions.

#### Spray Application:

Using boom type sprayers, apply Rainstorm at a rate of 1 to 2 quarts per acre in adequate water volume to achieve uniform coverage.

### Test for Compatibility

If using Rainstorm in conjunction with soil applied nutrients, conduct a jar test to confirm compatibility in advance of large scale application.

### Storage and Disposal

Do not contaminate water, food or feed by storage or disposal of this product.

**Storage:** Store in a dry place. Store in tightly closed container in well-ventilated area.

**Disposal:** Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit [www.acrcycle.org](http://www.acrcycle.org). Decontaminated containers may also be disposed of in a sanitary landfill. Dispose of contents/container in accordance with local and national regulations.

#### CONDITIONS OF SALE, LIMITED WARRANTY, AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale – Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded. The directions of this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of KALO, Inc., the manufacturer or seller. In addition, failure to follow label directions may cause injury to crops, animals, workers or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind express or implied concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at KALO, Inc.'s election, one of the following:

1. Refund of the purchase price paid by buyer or user for product purchased,
- or,
2. Replacement of the product used.

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company, the manufacturer and seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
