CONDITIONS OF SALE AND LIMITED WARRANTY

Read the information contained herein before buying or using this product. If the stated terms are unacceptable, return the product at once, unopened. It is critical that this product be used only as specified on this label. Neither the manufacturer nor the seller makes any representation or warranty, expressed or implied, with respect to the results from the use of this material. Buyer and user assume all risks of use and/or handling. Manufacturer warrants that this material is reasonably fit for use as specified on this label. Except to the extent prohibited by applicable law, the exclusive remedy of the user or buyer and the limit of liability of the company or any other seller for any and all losses, personal injuries or damages resulting from the use of this product, shall be the purchase price paid by the user or buyer for the quantity of product involved.

GENERAL INFORMATION:

COLORIZER RED is a seed treatment colorant for use with any aqueous based seed treatment product designed for slurry application. The use of a jar-test to confirm compatibility is recommended prior to large volume mixing.

DIRECTIONS FOR USE

Add COLORIZER RED to slurried treatments at a rate of .25 to 1.5 fluid ounces per 100 lbs of seed. Select rate based upon preference for seed color intensity.

PRECAUTIONARY STATEMENTS

PERSONAL PROTECTION EQUIPMENT (PPE): Wear protective gloves, protective clothing, eye protection and face protection. Avoid breathing vapor or mist.

FIRST AID MEASURES: In general, this product does not have any acute hazard characteristics. Treat exposures symptomatically as needed. **If on Skin:** Flush contaminated skin with plenty of water. Remove contaminated clothing and shoes. Get medical attention if symptoms occur. **If in Eyes:** Immediately flush eyes with plenty of water, occasionally lifting the upper and lower eyelids. Check for and remove any contact lenses. Get medical attention if irritation occurs. **If Inhaled:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. Get medical attention if symptoms occur. **If Ingested:** Wash out mouth with water. Remove victim to fresh air and keep at rest in a position comfortable for breathing. If material has been swallowed and the exposed person is conscious, give small quantities of water to drink. Do not induce vomiting unless directed to do so by medical personnel. Get medical attention if symptoms occur.

STORAGE & DISPOSAL: Do not contaminate water, food, or feed by storage or disposal. Do not store in direct sunlight. Ideal storage temperature zone is between 40 and 80 degrees F. Do not allow product to freeze. Triple rinse container after use and then offer for recycling, reconditioning, or otherwise dispose of as allowed by local regulations.
